Jumping in with style in hunter hack!

Back wall is 5'  
jump is 4'6"

Jumping 4'  
And he can jump over height with style too!

- Received an excellent score on his jumping at AWR inspection
- AQHA judges approached me in the show ring and after- commenting on his superior talent.
- His Long Stride -SLOW legged movement, Excellent jumping style and Calm mind made him a winner in HUS and over Fences.
- His Excellent temperament made showing fun! At 5.2 and over 50 years old I never thought I would enjoy riding a 17.2H Stallion but I do!

**HE IS AS MUCH FUN TO RIDE AS HE IS BIG!**
