Thank You mare owners who bred to Indian Artbeat in 2010

We appreciate you!

HIS EXCELLENT Breeding record is as follows

His 2010 record is 88% pregnant!

Indian Artbeat Bred total of 40 mares in 2011

These include Quarter horses, Thoroughbreds, Warmbloods, and Paints

85% preg with shipped cooled semen

100% preg rate on the farm

with an average of 88%

The national average which is considered very good according to my vet is:

70 % pregnant bred on the farm

50% to 60% preg bred with shipping semen

In 2010 -- 35 mares checked in foal

5 did not get in foal

Of these 5 all shipped semen

1 has never gotten preg with shipped semen

1 was due to stress (vet assessment)

1 was shown a lot (stress can be a factor here to)

2 are for unknown reasons

Thanks again to all the mare owners!
