5. Call and email and tell me when she first comes in heat State who you are and when the vet is coming to check her progress.
6. Call as soon as you know when your mare needs semen. Calling 24 hours before shipment. Leave message at 815 522 6230 and email at Mariehorse@aol.com. : stating your name and your mares name, where you want semen to be shipped to and the date you want semen. I will send a conformation email I received your request only if you email conformation of your phone request.

Collection/Shipping days are Monday, Wednesday, and Friday. Please notify OEW as soon as your mare comes in heat and you anticipate a shipment date. Depending on shipping schedule possible Tues or Thursday collections available call and ask.

Put in the refrigerator as soon as it arrives and do not open the container until the vet is ready to inseminate the mare. If your vet does not put all the semen in the mare, keep the semen in the container refrigerated at 43Degrees F.

After your mare has been inseminated

Sign the shipped semen form(s). Send me one copy of each form and send the breeds copy to them. And retain one copy for your records. IF applicable send in ALL forms to your breed and AWR Failure to send in these forms on time will make your foal **not** eligible to be registered.

Call with the results when your mare is checked for pregnancy at 20 days.
